1. VOTING RIGHTS

- A. Membership Voting Rights.** Ownership of a Separate Interest (Condominium or Lot or Unit) entitles a single membership vote on all matters presented to the Members for voting. The Association shall send a ballot to each Member for each election, and if more than one person owns a Separate Interest, all owners will be deemed one Member for voting purposes and will cast one vote per Separate Interest. No vote will be allowed if the majority of co-owners of a Separate Interest cannot agree. Fractional votes will not be allowed. In the event more than one ballot is cast for a particular Separate Interest, only the first ballot received will be opened and counted. The Association shall count the ballots of a person with a general power of attorney for a Member if returned in a timely manner.
- B. Record Date.** The Board may set a “Record Date” for voting and notice of the election as provided in the Bylaws otherwise the Record Date for notice is the day the notice is sent out and the Record Date for voting is the close of the polls. Only those Owners on title by the Record Date are entitled to vote. Persons acquiring title to a Separate Interest after the Record Date may attend the election meeting. (Corp. Code § 7611(b) & (c).)
- C. Proof of Membership.** No person or entity may exercise the rights of membership without an ownership interest in property subject to the Association’s Declaration. If the Board requests proof of ownership, such proof will be in the form of a copy of a recorded grant deed.

2. PETITIONS

- A. Purpose.** Five percent of the membership may call for a special membership meeting. The purpose of the petition for a membership meeting must be set forth on each page of the petition so Members know what they are signing. Meetings may only be called for a lawful purpose. (Corp. Code, §§ 7510(e), 7511(a).)
- B. Signatures.** Only Members may sign petitions. Signatures by spouses not on title and by tenants are not valid. The Association may validate signatures by comparing them against signatures on file with the Association or by contacting signers to verify their signatures. Any person on title to a property can sign on behalf of the property but it counts only once. For example, if two Owners are on title for one Separate Interest, and all sign a petition, it will count as one signature, not two.
- C. Withdrawal of Signatures.** Signatories may not withdraw their signatures once the petition is received by the Association or manager.

D. Setting the Date. The date of the special meeting will be set by the Board and may not be less than 35 nor more than 90 days from receipt of the petition. Notice of the date will be given to the Membership not less than 10 days nor more than 90 days before the date of the meeting. If the Board fails to give notice within twenty (20) days after receipt of request, the person representing the petitioners may call for the special meeting and may give notice consistent with the Bylaws. (Corp. Code § 7511(a) and (c).)

3. BALLOTS AND PROXIES

A. Ballots

- 1. Official Ballots/Non Revocable.** Only those ballots printed by the Association or the Inspectors of Election (“IOE”) will be the official secret ballots. Official secret ballots will be delivered by the Association to every Member. Voters cannot substitute their own ballots for official ballots. Once an official secret ballot has been received by an IOE, it is irrevocable. (Civ. Code §§ 5115 & 5120(a).)
- 2. Secret Ballot.** A vote of the membership will be held by secret ballot for (i) elections regarding assessments legally requiring a vote, (ii) election and removal of directors, (iii) amendments to the governing documents, (iv) the grant of exclusive use of common area under Civil Code §4600, and (v) any other meeting required by the governing documents or determined by the chairman of a Member meeting. (Civ. Code § 5100(a).) Secret ballot voting procedures are as follows:
 - a) Voting Materials.** A ballot(s) and two pre-addressed envelopes with instructions on how to return ballots will be mailed by first-class mail or delivered by the Association to every Member entitled to vote not less than 30 days prior to the deadline for voting. To preserve confidentiality, a voter will not be identified by name, address, unit, or parcel on the ballot. (Civ. Code § 5115(a).)
 - b) Ballot.** The ballot should be filled out, but not signed by the voter and inserted into an inner envelope addressed to the IOE. (Civ. Code § 5115(a)(1).)
 - c) Inner Envelope.** The inner envelope is sealed with the completed unsigned ballot. This sealed inner envelope is then inserted into a second envelope, which is also sealed. (Civ. Code § 5115(a)(1).)
 - d) Second Envelope.** In the upper left-hand corner of the second envelope, the voting Member must print and sign his or her name, mailing address, and address within the Association or account number that entitles him or her to vote. The second envelope must be addressed to the IOE. (Civ. Code § 5115(a)(1).)
 - e) Delivery.** The envelope may be mailed to the address on the envelope or delivered by hand to a location specified by the IOE. Members may request a receipt of delivery. (Civ. Code § 5115(a)(2).)

- f) Custody. The sealed ballots will be in the custody of the IOE or at a location designated by the inspector or inspectors until after the tabulation of the vote, and until the time allowed by Civil Code section 5145 for challenging the election has expired, at which time custody will be transferred to the Association. (Civ. Code §§ 5125, 5145.)
3. *Non-Secret Ballots*. For voting on other matters submitted to the Members for approval which do not require the secret ballot method above, written ballots will be distributed to all eligible members at least 30 days prior to the date set for voting and tabulation. All written ballots will provide at least 30 days to return the ballots to the Association and will state the date the ballots must be returned to be counted. (Corp. Code, § 7513(a).)
4. *Quorum by Ballot*. Each ballot received by an IOE will be treated as a Member present at a meeting to establish a quorum. (Civ. Code § 5115(b).)
5. *Ballot Markings*. A ballot which contains any of the following symbols will be counted and tabulated as if the symbol was the number “1”, an “x”, a checkmark, or any non-numerical symbolic designation indicating the voter’s intent to vote for any candidate, issue or ballot measure. A ballot will not be invalidated due to the inclusion of a signature but may be invalidated per the determination of the IOE that it fails to comply with these rules or law, per the Inspector’s authority as set forth below. (Civ. Code § 5110(c)(8).)
- B. Proxies**. Proxy voting is allowed. Written authorization by a Member for the proxy holder must be filed with the IOE. Each proxy is revocable and will automatically expire eleven (11) months after execution unless the written authorization specified a length of time, which in no event shall exceed three (3) years. The proxy last received by the Association shall supersede all prior proxies. (Corp Code § 7613)
4. **QUORUM REQUIREMENTS**. Quorum is per the Bylaws. If quorum is present at the initial meeting, Members present at such duly called or held meeting may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum. If quorum is not present at the initial meeting, a vote of the majority of those Members present at the meeting in person or by ballot may adjourn the meeting to a time not less than five (5) days nor more than thirty (30) days after the time the original meeting was called, unless stated otherwise in the Bylaws. (Civ. Code § 4070; Corp. Code, § 7512(d).)
5. **ELECTION OF DIRECTORS**
- A. Number of Directors**. The authorized number of directors shall be per the Bylaws.

(Civ. Code § 5105(b).)

6. CAMPAIGNING

A. Access to Media

1. *No Use of Association Resources.* The Association's newsletter, website, bulletin board, or other association media may not be used for campaign purposes.
2. *Exception.* Only if any candidate or Member is provided access to Association newsletters, website, bulletin board or other Association media during an election, for purposes reasonably related to that election, then equal access will be provided to all candidates and members. The access will be limited to information relating to that election, and will include those candidates and members not endorsed by the Board. The Association will not edit or redact any content from these communications, but may include a statement specifying that the candidate or Member, and not the Association, is responsible for that content. The Association and its directors, officers, and agents, shall be immune from liability for the content of those communications. (Civ. Code § 5105(a)(1).)

7. USE OF COMMON AREA

A. Cost and Reservation

(Civ. Code § 5105(a)(2).)

To assure fairness, each candidate may not reserve or use the common area clubhouse or pool area, if

permitted by the Association, for over two (2) hours. In addition, each candidate and each Member will only be allowed to make one (1) reservation per election to use the Common Area. If the Association has a bulletin board for Notices and provides access to it by candidates, all candidates shall be provided an equally proportionate share.

B. Use of Association Funds. No Use of Association Funds for Campaign Purposes. Association funds will not be used for campaign purposes for any Association Board election. Funds of the Association will not be used for campaign purposes for any other Association election except to comply with duties of the Association imposed by law. (Civ. This is not a campaign purpose if the communication is one for which the Association must provide equal access to another candidate or advocate. (Civ. Code § 5135(b)(2).)
3. The restrictions of this section do not preclude directors in their capacity as a Member from advocating the election or defeat of any issue or candidate on the ballot. However, they may not use Association funds to do so.
