

**IMPORTANT NOTICE**

**March 13, 2020**

You will or already have received a ballot package to vote on a community issue. The ballot package includes instructions, a secret ballot form on yellow paper, one small yellow envelope and one large white return mailing envelope. The included directions refer to the smaller envelope as white, however the printer inadvertently used a yellow envelope.

Correct instructions:

Please put your marked secret ballot in the Yellow envelope identified with the words Secret Ballot Envelope on it (see below). Then insert that yellow ballot envelope into the larger white return mailing envelope. Make sure you write your name, property address in the upper right-hand corner and sign your name on the large white return mailing envelope before mailing or dropping off at the Valley Club.

If you have any questions please contact Linda Anderson at [landerson@keystonepacific.com](mailto:landerson@keystonepacific.com).
